Attempt: 1

Started: Feb 3, 2026 05:17:46 AM

Completed: Feb 3, 2026 05:59:11 AM

Questions Answered: 50/50

Final Score: 84% Pass

Your Final Score is calculated as (Correct Answers ÷ Total Questions) × 100%.

Category Breakdown

Category	Score	Performance Feedback
Accounting	100%	Mastered
Budgeting & Forecasting	100%	Mastered
Excel	100%	Mastered
Finance	100%	Mastered
Financial Modeling	84%	Proficient
Presentation	50%	Review Recommended
Recommended Courses to Review: • Excel Data Visualization and Dashboards • PowerPoint & Pitchbooks		
Valuation	58%	Review Recommended
Recommended Courses to Review: • Introduction to Business Valuation • DCF Valuation Modeling • Comparable Valuation Fundamentals		

Your score for each category is calculated by dividing the points earned in that category by the total possible points for that category. These scores may not align with your Final Score due to differences in the number of questions across categories.
